Information Security Conference

Attendance Certificate

Security BSides Athens 2020 | Saturday, 20 June 2020

This is to certify that **Aman Maurya** (amanrkt231217@gmail.com) attended the annual conference **Security BSides Athens** that was held as a virtual conference this year, on Saturday, 20 June 2020.

Attending Security BSides events qualify for 10 CPE (Continuing Professional Education) credits.

The current attendance certificate is given to those who attended the full day of the online virtual conference Security BSides Athens 2020.

On behalf of Security BSides Athens,

Dr. Grigorios Fragkos – Organiser

Security BSides Athens 2020 - www.bsidesath.gr

Created for Aman Maurya by Security BSides Athens. This document is intended for Aman Maurya only as a recognition that the individual participated at the virtual Security BSides Athens 2020 conference that took place on Saturday 20 June 2020.

Security BSides is a community-driven framework for building events by and for information security community members. These events are already happening in major cities all over the world. We are responsible for organizing an independent Security BSides-Approved event for Athens, Greece.
